

This will be our last panui for the year. Our thanks go out to all those who have supported, helped, listened, commented and attended our events, trips, evenings and festivals. With you we can make more events happen, make them better and role model to our tamariki.

Please send your children to school for these last couple of weeks. We are still learning and the summer break is long.

Please let us know if your tamariki are not returning next year, so we can say farewell.

We welcome you to our prizegiving on Thursday 12th December at 1pm in the school hall.

Finally, have a great break, stay safe, enjoy each other's company and we will see you next year.

## CHRISTMAS FESTIVAL

Our Kapahaka group has been asked to perform at the Onerahi Christmas Festival on Saturday 14th December. If your child/ren would like to be a part of this please let us know so we can plan our performance. They will need to be available from 11am for an 11.30am performance.

As most of our students head along to this yearly community event we are hoping that they will also like to be a part of it.

Please let us know at the office or fill out the form that came home on Thursday.

## STATIONERY

Included in this panui is a brochure for OfficeMax My School. Our stationery lists for next year are already loaded onto their website by year level. If you order online in December you can choose to pay in December or January. If you pay in January, stationery will be delivered then as well. You can also go instore and pick up a list.

We would love to have students returning to school next year with their stationery already organised.

If you already have items on the list please use these.

## 2020 CLASSES

To help us prepare for next year we would like to start getting an idea on numbers. If you have any tamariki or whanau that you know would like to enrol with us next year, even 5 year olds that may not be starting till March/April, we would appreciate knowing sooner rather than just have them turn up.

On the other side, if your tamariki are not returning for whatever reason we would appreciate knowing this as well. Our enrolment process is simple, but we do not allow tamariki to start without an induction interview, paperwork and a copy of a birth certificate. Please do not just show up and expect to start that day.

Our office will be open the week before school starts back for new enrolments. Keep an eye on our Facebook page for dates and times.
